### Superintendent's Highlights

In August, 2000, building administrators reviewed the District Strategic Plan. Building goals and action plans were developed which were in line with District goals. Key areas of focus continue to be instruction, technology, communication, and facilities.

The elementary school continued its effort with the Idaho Reading Indicator (IRI) with positive results. Salmon Students scored at or above state averages. Third grade reading scores on the ITBS increased to the 71<sup>st</sup> percentile.

Teachers and administrators reviewed student data management system, selecting Power School for all buildings. Training and transitioning are underway.

Administrators and teachers were encouraged to increase information to the media and develop newsletters to increase communication.

The patrons passed a five year Plant Facilities Levy for a multi building heating conversion and land acquisition. The District purchased fifteen acres of land adjoining the high school campus for future development and building.

### Progress Towards Meeting District Goals

#### 2000-01 Goals

#### Progress

**Student Achievement.** The Salmon School District will develop a system to continuously improve achievement of all students to meet higher standards.

ITBS test results showed increased student performance in 7 to 9 grades tested. Greatest gains have been in the elementary grades.

**Decrease Drop-out Rates and Increase Average Daily Attendance.**

Student Average Daily Attendance increased.

**Improve Student Readiness for Post-Secondary Education.** The Salmon School District will develop a comprehensive system K to 12 to improve the readiness of graduates for post-secondary education, vocational training, and/or employment.

Data will be available in building reports to the Board in August 2001.

**Improve Stakeholder Satisfaction.** Salmon School District will develop a system to continually improve the level of stakeholder satisfaction.

The District increased media coverage and designed building newsletters for parents.

**Technology.** The Salmon School District will continue to develop use of technology as an instructional and management tool.

Objectives met for 2000-01. A district-wide student and school management system, Power School, was adopted. 98% of the District's certified staff have passed the Idaho Technology Competency Exam.

**Write a High Performing School/District Grant Proposal.**

No proposals have been funded to date, however, the District has joined in the Region VI Curriculum Consortium to prepare for implementing state standards and assessment.

**Design a Long-Term (5 Year) Facilities Plan.**

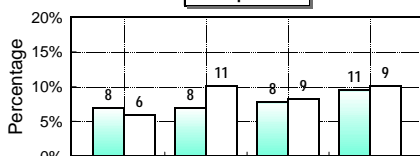

Goals met for 2000-01. A 5 year Plant Facilities Levy was passed with excellent support for a heating conversion involving 2 schools and for land-site acquisition.
